Re: **Utility Patent Application for Multi-Tap Compression Connector**
Our File No. LCB417

Dear Brian:

You were identified as a co-inventor for the subject matter of the above-identified patent application. Accordingly, enclosed are the following documents for your review and execution:

- 1) A copy of the utility patent application filed on September 24, 2003, naming Robert Sokol, Robert Kossak and you as co-inventors;
- 2) A Declaration for Utility Patent Application, for your execution;
- 3) A Power of Attorney, for your execution; and
- 4) An Assignment, for your execution. Please note that the Assignment must be notarized.

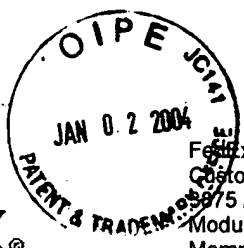

Upon execution of the above-identified documents, please return them to my attention in the enclosed postage paid envelope. If you have any questions regarding any of the above, or would like to stop by the Legal Department in Tinley Park to have us notarize the Assignment, please contact me at (708) 532-1800, ext. 1302.

Very truly yours,

PANDUIT CORP.

Re: **Patent Applications for Multi-Tap Compression Connector**
Our Reference LCB417

Dear Brian:

Further to our telephone conversation of today, enclosed please find a set of drawings for the MULTI-TAP COMPRESSION CONNECTOR patent application. I am also enclosing (2) two Assignments, for your signature, for the Chinese counterpart patent application.

Please sign and date the documents where indicated and return them to me in the enclosed self-addressed and stamped envelope. Also please execute and return the documents sent to you with my previous letter of September 24, 2003, as soon as possible.

If you have any questions, please do not hesitate to contact me.

Very truly yours,

PANDUIT CORP.
